Education

- 1987 Doctor of Philosophy (PhD); CNA A / Huddersfield Polytechnic, Yorkshire, UK
- 1968 Diploma in Osteopathy (DO); British School of Osteopathy, London, UK

Appointments

- 2009 - ** Partner, KendallBurton - work and health consultancy
- 2007- ** Honorary Fellow of the Faculty of Occupational Medicine (Hon FFOM)
- 2004 - ** Affiliate Visiting Professor, University of Huddersfield
- 1996 - ** Registered European Ergonomist (Eur.Erg)
- 1993 - ** Associate Professor of Clinical Biomechanics, British School of Osteopathy, London
- 1992 - ** Consultant clinical scientist and ergonomist, Huddersfield, UK
- 1990 - ** Director, Spinal Research Unit, The University of Huddersfield, UK
- 1988 - 90 Visiting Research Fellow, The Polytechnic of Huddersfield, UK
- 1989 - 95 Scientific Adviser, Osteopathic Association of Great Britain
- 1971 - 89 Research Officer, Osteopathic Association of Great Britain
- 1968 - 97 Osteopathic practice - Huddersfield, UK – [consultant 1997 – 2003]

Awards/honours

- 2008 BUPA *foundation* Health at Work Award, 'Management of work-relevant upper limb disorders'. Burton K, Kendall N, Pearce B, Birrell L, Bainbridge C.
http://www.bupafoundation.co.uk/asp/awards/08_awards/health_at_workAward.asp
- 2007 Honorary Fellowship of the Faculty of Occupational Medicine of the Royal College of Physicians
- 2006 Volvo lecture – International Society for the Study of the Lumbar Spine. 'Low back pain: prevent, cure or manage?'. Bergen, Norway
- 2005 BUPA *foundation* Health at Work Award – Highly Commended. 'The implementation of occupational health guidelines principles for reducing sickness absence due to musculoskeletal disorders'. McCluskey S, Burton K, Main C

- 2005 BackCare Research Award, presented by the Society for Back Pain Research, Leicester 2004. UK Back Pain Exercise and Manipulation (UK BEAM) Randomised Trial: Cost-effectiveness of physical treatments for back pain in primary care. A Manca and M Underwood on behalf of the UK BEAM Trial Team.
- 2002 Creative Excellence Award; US International Film and Video Festival for *Get Back Active* (a video based on *The Back Book*) produced by Take3 Video, funded by BP Occupational Health, with expert medical input from Burton AK, Waddell G
- 2001 BackCare Research Award, presented by the Society for Back Pain Research, Bristol November 2001. 'Occupational Health Guidelines for the Management of Low Back Pain at Work – Evidence review'. Waddell G, Burton AK
- 2000 BUPA *foundation* Health at Work Award, 'Occupational Health Guidelines for the Management of Low Back Pain at Work'. Carter T, Birrell L, Waddell G, Burton AK
- 1997 The National Back Pain Association Medal, presented by the Society for Back Pain Research, Middlesborough September, 1997. 'Four-year follow-up of low back pain patients in primary care'. Burton AK, Tillotson KM, McClune TD, Clarke RD, Main CJ
- 1996 The National Back Pain Association Medal, presented by the Society for Back Pain Research, London, October, 1996. 'Preliminary evaluation of a new Back Book'. Waddell G, Burton K, Roland M, Klaber-Moffett J, Main C, Cantrell E, Blair S, Burt R
- 1995 The National Back Pain Association Medal, presented by the Society for Back Pain Research, Bournemouth, October, 1995. 'Encouragement of positive beliefs about back trouble is matched by absence reduction'. Symonds TL, Burton AK, Tillotson KM, Main CJ
- 1995 Sofamor Danek Clinical Award Paper, presented by the International Society for the Study of the Lumbar Spine, Helsinki, June, 1995. 'Can absenteeism due to low back trouble be reduced by psychosocial intervention at the workplace?'. Symonds TL, Burton AK, Tillotson KM, Main CJ
- 1993 Associate Professor of Clinical Biomechanics, British School of Osteopathy, London
- 1991 Poster Prize – 3rd place, presented by the International Society for the Study of the Lumbar Spine, Heidelberg, May, 1991. 'An improved method of stature measurement for quantitative determination of spinal loading: application to sitting postures and whole body vibration'. Althoff I, Brinckmann P, Frobin W, Sandover J, Burton K

Editorial appointments

- 1986- ** *Clinical Biomechanics* - Editor-in-Chief
- 2005- ** *Journal of Orthopaedic Surgery and Research* – Editorial Board
- 2004- ** *Manual Therapy* – International Advisory Board
- 2003- ** *Cochrane Collaboration Back Review Group* - Advisory Board
- 2000- ** *Spine* - Associate Editorial Board
- 1997- ** *Journal of Musculoskeletal Research* - Editorial Board
- 1997-99 *Australasian Osteopathic Medicine Review* - Editorial Board
- 1972-85 *British Osteopathic Journal* - Editorial Board → Publishing Manager → Co-editor

[Peer reviews undertaken for: *Acta Paediatrica*, *American Family Physician*, *Annals of the Rheumatic Diseases*, *Applied Ergonomics*, *BMC Musculoskeletal Disorders*, *British Medical Journal*, *British Journal of Rheumatology*, *British Journal of Sports Medicine*, *Chiropractic & Osteopathy*, *Disease Management and Health Outcomes*, *Ergonomics*, *European Spine Journal*, *European Journal of Pain*, *Family Practice*, *Human Factors*, *Journal of Clinical*

Epidemiology, Map of Medicine, Occupational Medicine, Occupational and Environmental Medicine, Pain, Pediatrics, Pediatric Rehabilitation, Sports Medicine, The Psychologist]

Scientific and professional organisations

- 1996- ** International Association for the Study of Pain
- 1996- ** Law Society Checked Expert Witness; Soc. of Expert Witnesses; Expert Witness Inst.
- 1992- ** Spine Society of Europe (formerly European Spine Society (2001))
- 1992- ** UK Register of Expert Witnesses
- 1992-93 Council for National Academic Awards – advisor
- 1991- ** International Society for the Study of the Lumbar Spine
- 1989- ** Royal Society of Medicine
- 1988- ** International Society of Biomechanics
- 1986- ** Ergonomics Society (Professional Register from 1991)
- 1986-96 Biological Engineering Society (formerly Inst. of Phys. & Eng. in Med. & Biol.(1995))
- 1985- ** European Society of Biomechanics
- 1984- ** European Association of Science Editors
- 1974- ** Society for Back Pain Research
- 1968- ** General Osteopathic Council (formerly Register of Osteopaths (1999))
- 1968- ** British Osteopathic Association (formerly Osteopathic Association of Great Britain (1998))

Committees etc.

- 2003-04 Society for Back Pain Research, President
- 2000-04 European Commission, COST Action B13 'Low back pain: guidelines for its management' - Management Committee + sub-group chair.
- 1999-00 Faculty of Occupational Medicine working group for occupational health back pain guidelines + evidence reviewer.
- 1997-99 European Spine Society, Membership Committee
- 1996-99 International Society for the Study of the Lumbar Spine - Executive Committee [Regional representative for Great Britain and Africa]
- 1995-99 Royal College of General Practitioners Clinical Audit Programme - National Guidelines for Back Pain - working group.
- 1995-97 Medical Research Council - Back Pain Working Group
- 1991-93 Society for Back Pain Research: Hon. Secretary
- 1988 Council for National Academic Awards, Committee for Health Studies - Working Party
- 1982 British School of Osteopathy, Research Advisory Panel
- 1977-95 Society for Back Pain Research: Executive Committee
- 1969-90 Osteopathic Association of Great Britain, Council member

Research grants/contracts

- * Health & Safety Executive, 2009 [in collaboration with Health & Safety Laboratory and University of Loughborough]. 'Developing an intervention toolbox for the common health problems in the workplace'
- * Association of British Insurers on behalf of the Vocational Rehabilitation Task Group and the industrial Injuries Advisory Council, 2007. 'Vocational rehabilitation - what works for whom and when?' – evidence review.
- * Health & Safety Executive, 2007: 'Management of upper limb disorders and the biopsychosocial model' – literature review.
- * Department for Work and Pensions, 2007. 'Advising patients about work': development of leaflet and resource for GP education.
- * Department for Work and Pensions, 2006. 'Health & Work': development of educational booklet for patients.
- * Re: Liability (Oxford) Ltd, 2006. 'Work & Health' – a guidance leaflet for professionals in and around the workplace.
- * University of Huddersfield, University Research Funding, 2005-6. 'Randomised controlled trial of patient information for whiplash'.
- * Department for Work and Pensions, 2004-5. 'Is work good for your health and well-being?' – a literature review
- * Department for Work and Pensions, 2003-4. 'Concepts of rehabilitation for the management of common health problems' - a literature review
- * Department for Work and Pensions, 2002. 'Screening for risk of long-term incapacity' - a literature review
- * Association of British Insurers, 2001. 'Whiplash' - literature review of whiplash injuries; authoring and pre-publication pilot studies of *The Whiplash Book*.
- * Faculty of Occupational Medicine, 2000. Literature review and contribution to development of Occupational Health Guidelines for the Management of Low Back Pain at Work.
- * Health & Safety Executive, 1999 thru 2003. 'Obstacles to recovery from back pain'. Industrial survey and clinical trial:- in collaboration with Dept Behavioural Medicine, Hope Hospital, Salford, UK
- * Health & Safety Executive, 1999. Data analysis contract
- * Scottish & Newcastle, 1997. 'Back Pain Management Model' – development of model
- * Health & Safety Executive, 1996 thru 1997. 'Supermarket checkouts'. Data analysis and report writing contract
- * Health & Safety Executive, 1996-7 (extension to contract # 3243/R55.46) 'Overload injuries of thoracolumbar spine': in collaboration with Universität Münster, Universität Duisburg, Loughborough University.
- * Police Authority for Northern Ireland, 1994-5. (contract) 'Back Pain Study'
- * Health & Safety Executive, 1994 thru 1995 (contract # 3243/R55.46) 'Overload injuries of the thoracolumbar spine': in collaboration with Universität Münster, Universität Duisburg, Loughborough University
- * Yorkshire Regional Health Authority, 1994 thru 1996 'Chemonucleolysis or manipulation for lumbar disc herniation?': in collaboration with Huddersfield NHS Trust
- * Commission for the European Communities, 5th Medical Research Program, 1992 thru 93 'Quantification of overload injuries of thoracolumbar vertebrae': in collaboration with Universität Münster, Universität Duisburg, Loughborough University.

- * British Council (Belgium), 1992 thru 95 (travel grant) 'Back pain in nursing personnel': in collaboration with Free University, Brussels
 - * Institut f. Experimentelle Biomechanik, Universität Münster-1992 'Exercises and thoracic flexion'
 - * National Back Pain Association, 1993 thru 94. 'Beliefs about low back trouble and work'
 - * University of Jyväskylä, 1992 and 93. 'Mobility, disc degeneration and back pain in twins'
 - * British Council (Germany), 1990 thru 95 (travel grant). 'Development of precision stadiometry equipment': in collaboration with Universität Münster
 - * Research Council for Complimentary Medicine, 1990-93 'Biomechanical effects of osteopathic manipulation in acute low back pain'
 - * Health and Safety Executive, 1990-91 (contract # 1/LMD/126/373/89) 'Reduction of spinal loading in overhead working postures'
 - * National Back Pain Association, 1990-92 'Early psychological assessments in low back trouble': in collaboration with Dept Behavioural Medicine, Hope Hospital, Salford
 - * Westfälische Wilhelms-Universität Münster, FRG - 1989 'Spinal flexibility and idiopathic scoliosis'
 - * Osteopathic Educational Foundation - 1981, 1982, 1984 (equipment grants)
 - * Osteopathic Association of Great Britain - 1975, 1978, 1980, 1982, 1984 (project grants)
- [Regular reviewer for proposals by domestic and international grant awarding bodies]*

Additional training

Teaching in spinal medicine – training the trainers (2005)

Single joint expert witness training (2001)

Supervision / examination

PhD candidates: Supervised: 6 [UK]:
 Examined: 23 [UK (17); Finland (1); Australia (3), Ireland (2)]

MSc candidates: Supervised: 1 [UK]:
 Examined: 3 [UK]

Leisure interests

Mountain biking, climbing, hill walking, Tai Chi.

Motor racing, motorcycling, rock music, modern art and design.

Bibliography

Thesis

'Patterns of lumbar sagittal mobility and their predictive value in the natural history of back and sciatic pain'. Doctor of Philosophy Thesis, CNA - Huddersfield Polytechnic. 1987.
